

## A Million Dreams

I close my eyes and I can see  
The world that's waiting up for me  
That I call my own  
Through the dark, through the door  
Through where no one's been before  
But it feels like home

They can say, they can say it all sounds crazy  
They can say, they can say I've lost my mind  
I don't care, I don't care, so call me crazy  
We can live in a world that we design

'Cause every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

There's a house we can build  
Every room inside is filled  
With things from far away  
The special things I compile  
Each one there to make you smile

On a rainy day

They can say, they can say it all sounds crazy  
They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy  
Runaway to a world that we design

Every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

However big, however small  
Let me be part of it all  
Share your dreams with me  
You may be right, you may be wrong  
But say that you'll bring me along  
To the world you see  
To the world I close my eyes to see  
I close my eyes to see

Every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake

A million dreams, a million dreams  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

For the world we're gonna make

### **"The Sound Of Silence"**

Hello darkness, my old friend  
I've come to talk with you again  
Because a vision softly creeping  
Left its seeds while I was sleeping  
And the vision that was planted in my brain  
Still remains  
Within the sound of silence

In restless dreams I walked alone  
Narrow streets of cobblestone  
'Neath the halo of a streetlamp  
I turned my collar to the cold and damp  
When my eyes were stabbed by the flash of a neon light  
That split the night  
And touched the sound of silence

And in the naked light I saw  
Ten thousand people, maybe more  
People talking without speaking  
People hearing without listening  
People writing songs that voices never share  
No one dare  
Disturb the sound of silence

"Fools" said I, "You do not know  
Silence like a cancer grows  
Hear my words that I might teach you  
Take my arms that I might reach you"  
But my words like silent raindrops fell  
And echoed in the wells of silence

And the people bowed and prayed  
To the neon god they made  
And the sign flashed out its warning  
In the words that it was forming  
And the sign said "The words of the prophets  
Are written on the subway walls  
And tenement halls  
And whispered in the sounds of silence"

I thought love was only true in fairy tales  
Meant for someone else but not for me  
Ah, love was out to get to me,  
That's the way it seems,  
Disappointment haunted all my dreams

Then I saw her face,  
Now I'm a believer  
Not a trace of doubt in my mind  
I'm in love, hmm  
I'm a believer I couldn't leave her if I tried

I thought love was more or less a given thing  
Seems the more I gave the less I got  
What's the use in trying?  
All you get is pain,  
When I needed sunshine I got rain

Then I saw her face,  
Now I'm a believer  
Not a trace of doubt in my mind  
I'm in love, hmm  
I'm a believer I couldn't leave her if I tried

Love was out to get to me,  
That's the way it seems  
Disappointment haunted all my dreams

Then I saw her face,  
Now I'm a believer  
Not a trace of doubt in my mind  
Yeah, I'm a believer.

Yeah, I'm a believer.

### **Eye of the Tiger**

Risin' up, back on the street, did my time, took my chances  
Went the distance now I'm back on my feet  
Just a man and his will to survive  
So many times it happens too fast, you trade your passion for glory  
Don't lose your grip on the dreams of the past  
You must fight just to keep them alive

#### **CHORUS:**

**It's the eye of the tiger, it's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger**

Face to face, out in the heat, hangin' tough, stayin' hungry  
They stack the odds, still we take to the street  
For the kill with the skill to survive

#### **CHORUS**

Risin' up, straight to the top, had the guts, got the glory  
Went the distance now I'm not gonna stop  
Just a man and his will to survive **CHORUS**

The smile behind the eyes

Dn dn dn dn dn dn dn dn ....

High, I'm flying faster than a car can take you,  
higher than a bird can fly.

I'm sailing in the sky.  
Sail, I'm sailing further than the sea's expanse  
as I fulfil my journey;  
join the angels in the sky.

Love, I'm filled with love as I fulfil my dream;  
I'm free, I'm soaring over mountains.  
I am soaring high.  
Watch me in your dreams; I'll visit you sometime  
and tell you of my journey.  
For I'm in another time.

Don't you worry, don't you cry.  
I am soaring, flying high.  
You will find me, in the smile behind the eyes  
of those people who just daily pass you by.

Don't you worry, don't you cry.  
I am soaring, flying high.  
You will find me, in the smile behind the eyes  
of those people who just daily pass you by.

Dn dn dn dn dn dn dn dn ....

If you have a moment when you think of me,  
and suddenly a sadness hits you,  
and you start to cry.

Just remember I am flying free, I'm happy,  
for in life I did my best,  
service to mankind.

Serve your neighbour, love your enemy;  
He's here to teach you patience, love, respect;  
the basics we all need.  
Shower all of those who hurt you with some love.  
Within their hearts there's lots of room  
to plant some loving seeds.

Oo-ee oo-ay oo-ee oo-ay

*Here's a loving seed for you.*

Sing a song for me sometime

*Sing a song for me sometime*

help someone; bless a stranger -----

*Bless a stranger as he passes by, as he passes by*

Ev'ry good deed, thought and kind word said,

*Ev'ry good deed, thought and kind word said*

wings you'll wear, join me in the sky.

*join me in the sky.*

Oo-ee oo-ay oo-ee oo-ay

*Here's a loving seed for you.*
