Dear Parent/Carer,

I am writing to all parents and carers at the start of a new school year, firstly to wish everyone a safe and happy return to school. It may not be what we know as normal, but I can assure everyone that our staff have put so much time and commitment into making our school a safe environment.

Secondly, and the other purpose of this letter, is to say that we are looking to recruit a Parent Governor at the school.

Before you think that being a Parent Governor isn't for you, let me explain what we are looking for because it is a really important role which takes up only a modest amount of time.

Parent Governors represent the parent body and use their perspective as a parent or carer to help the governing body make good decisions and maintain a link between governance and the parent and carer community. There are four governing body meetings during the school year, and at present they are online.

The governing body works in a supportive environment and would welcome interest from any parents or carers in our school community. We want people who are passionate about our school and want the best for our children.

If you are interested or would just like to find out more about the role please email our Clerk, Lisa Davis, Clerk@sdlit.org.uk by 23rd September 2020. Please do get in touch with Lisa and help shape the future for Ocklynge for our children.

Yours sincerely,

Mr P Lindsey
Chair of Trustees
