

## Year 3 Roman Homework Terms 4 and 5

This term you need to do a creative task every two weeks. This is to make your home learning more fun, and to ease the pressure with deadlines. Your teacher will also set a MyMaths learning task every other week. In addition to Times Table Rockstars, "Hit the Button" is a great on-line game, which does not require a log-in, and is very quick to use <https://www.topmarks.co.uk/maths-games/hit-the-button>

**Weeks 1 and 2: Make a Roman shield.** All the shields are red and yellow, have a central metal boss and have two lines of reflective symmetry. Designs include wings, lightning, shells, arrows, etc.. You will use it in an invasion re-enactment role play!

**Week 3 and 4: Make a strong model bridge.**

It must be no more than 30 cm long. These will be tested in class to see whose is the strongest.

For the rest of the topic, you can pick which tasks you would like to do from these ones. You can do more than one a fortnight if you like!

Make a list of objects that we would use now that the Romans used, and one object we don't use now.

Create a Roman timeline

Write a secret message in Roman numerals (with an alphabet key)

Write a short newspaper report announcing the invasion of Britain (include a catchy headline. Decide whether you're a Roman or British news reported first!)

Write a diary entry from someone in a British village which gets taken over by the Romans.	Find an interesting paragraph about Roman life in a book. Make notes and write about it in your own words.
Design a Roman maze using reflective symmetry.	Plan a trip across UK visiting only Roman towns and using as many Roman roads as possible.
Draw or paint a picture of a scene from the Roman times. (eg a banquet, chariot race, villa). Write a caption to go with it.	Make some Roman armour and a helmet.
Research the Roman gods and design your own god.	Make a 3D model of an item from Roman times.
Write a food diary for one day if you were a member of a Roman household. See if you can do the same for a British person during the same time period.	Find a Roman recipe. Create this recipe and take a photo of your creation. (Write a recipe to go with your photo in case others would like to have a go)
Design a job advert for someone to work as a servant in a Roman villa.	Write your own Roman poem. It could be an acrostic one, free verse, or rhyming.
Create a Maths work sheet for Roman children, making sure you use Roman numerals in your calculations.	Write a report on Caesar's invasion.
Get someone to pretend they were a Roman military leader, or you could be this person. Conduct an interview. Write out the questions and answers.	Find as many countries as possible that the Romans invaded. Draw their flags and write a sentence to go with each flag.
Draw a Roman gladiator, and label all his equipment.	Design an outfit for a rich Roman and their slave to wear.

You can have your own ideas for a learning task, but check with your teacher first.
