

## **Year 5 Home Learning**

### **Daily activities to do:**

Timetables Rock Stars – 20mins + 40mins of maths work set by the teacher (such as mymaths).

Spelling work - 20 mins. + 40 mins of English work set by the teacher. Use a variety of methods to practise. For example, make a wordsearch, crossword, write the words backwards, in different colours (or any other imaginative ways you can think of). Put your spellings into sentences. Remember to punctuate correctly. This could be spelling shed, Lexia and the statutory words.

Reading for pleasure – 30 mins. -Read every day. You could read a variety of texts, including fiction and non-fiction, magazines, comics, newspapers. Don't forget about the 50 recommended reads for year 5.

-Fill in your reading record, or design your own way of recording what you have read.

-Talk to your family about what you have read.

-Write a book review which will encourage other children to read a book which you like.

Watch Newsround every day to keep up to date with current affairs. You could record what you watch in a daily diary.

English and maths activities will be added as necessary – these will be from a range of different websites, including mymaths, pobble365, as well as others that we use in school. Your child's class teacher will add these activities, along with any website that may help.

The topic work is on the sheet – aim for completing 40 points per week.

Don't forget playtime and lunchtime is 1hour 20 mins each day, so make sure you get fresh air and relax during the day too.

If you have completed some special work, please send us a picture via dojo.
