## Cookery workshop 2021

Dear Parents/Carers,

On Friday 19<sup>th</sup> November, Year 4 will be having a visit from Robin Van Creveld, an award winning community chef, who will be coming in to do some cookery workshops with the children. This will be the 'fabulous finish' for our Hinduism Learning Adventure.

The workshop will include a powerpoint presentation linked to our Hinduism topic, a cookery demonstration and a food-tasting session. Robin will be cooking a classic North Indian meal of methi dal, chapatti, pilau rice, kachumba salad and raita. All of the food is suitable for vegetarians and the children will be served with a generous plateful of food.

Robin came to the school last year to work with the year 4 children and it was a resounding success. The food was absolutely delicious and the children really enjoyed watching it being prepared and cooked in front of them.

The cost of the workshop is a voluntary contribution of £4.00 per child. The cost of the workshop for children eligible for free school meals will be met by the school. We would appreciate it if you could pay this, using Parentpay, which we are hoping to have set up for this payment early next week. If you are unable to access Parentpay, your child may bring in cash. Please kindly note that without sufficient contributions, events such as these will not be able to take place in the future.

If your child has any special dietary requirements, then we will need to know this by Friday 12<sup>th</sup> November, so Robin has time to organise an alternative meal for your child. If we do not receive this information by this date, we cannot guarantee that your child's needs will be catered for.

Many thanks for your continued support,  
Nicky Cavaliere (Head of Year 4) and the Year 4 team

---
