Tuesday 5<sup>th</sup> October 2021

Dear Parents/Carers,

I am writing to you today to inform you of our decision as a school to contract out the management of breakfast and after school club and the management of the swimming pool.

We understand how important these facilities are to you as parents and how much you value them.

The idea is that Premier Education, who currently provide our outdoor games teaching and run many of our afterschool clubs, will take on the management of these two aspects of the school. We will continue to own the pavilion and the pool, it will be just the management of these that will transfer.

Children at Ocklynge will still benefit from the breakfast and afterschool clubs and will continue to swim as they did pre-lockdown. Premier Coaches will teach the swimming to the children of Ocklynge. The breakfast and after school clubs will be bookable directly through Premier Education and this will be from 1<sup>st</sup> November. We will write to you all with further details nearer the time.

I am very pleased to be able to say that all our current staff will transfer and will be employed by Premier Education, no jobs are being lost!

If you have any questions about this change, please contact me by email.

Yours sincerely,

*Jon Reynard*

Headteacher
